Chris Gretton - College Music Co-Ordinator

Last night our music students from across all campuses came together to provide some musical entertainment for the College's very first 'Kurnai on the Lawn' event.

Our visitors braved the cold weather and enjoyed a BBQ whilst relaxing on the lawn. The students played music from a variety of artists and styles, ranging from James Brown to Bon Jovi as well as a few movie themes from the Blues Brothers. Our students performed incredibly well and it is a true testament to all their hard work and dedication during another challenging year for all.

I would like to thank everyone that contributed to a very successful evening and look forward to hosting the event again next year.

Wishing you all a Merry Christmas and a safe and Happy New Year!

Cheers,

Chris Gretton
