## Message from our Campus Principal

Over the last week, classes have been moving into assessment modes as students demonstrate their learning progress over the term. Assessments have changed over the years, and certainly since we were all students, and they are no longer all tests done in silence. In the current era of education, we understand that students can demonstrate their learning whilst collaborating with others, exploring concepts and generally enjoying what they are doing.

Nonetheless, at times children do feel the pressure of “CAT Weeks” and for some this is difficult to manage. Please ensure you are communicating with us about the experiences of your child so that we can ensure they are fully supported in their learning.

Our teachers are beginning to complete the March Learning Behaviour Updates to have them ready prior to Parent Teacher Conversations on the 31<sup>st</sup> March and 1<sup>st</sup> April. These will open shortly on Compass for you to book in. Please also remember that Thursday, 1<sup>st</sup> April will be student free to enable our Parent Teacher Conversations to occur. I encourage you strongly to bring your child along to meet with their teachers though. At this age, students deserve to be involved in the conversations about their learning and own the positive feedback and constructive criticisms they are receiving. Please take the chance when you are on site to meet with teachers, to stop and talk with Daniel Murphy and I about your positive experiences and provide us with constructive criticism to try and improve on the experience of you and your child at the school.

Tuesday, 23<sup>rd</sup> March we welcome all Grade 5 and 6 students to Kurnai College for our annual Awareness Day. This is an important event to start the process of transition for younger students and one that most of our own Year 7s and 8s have benefited from along the way themselves. To enable this event, Year 7s and 8s will not be at school on the 23<sup>rd</sup> March. Year 9 and 10 will go ahead as normal.

This will be the last newsletter prior to Easter, so I encourage you to take the best advantage you can of the Easter break with your families. Term 1 has been a long term for parents, students and teachers and all need an opportunity to recharge ready to make the most of all opportunities in Term 2.

## Year 7 & 8 News

### Awareness Day

As many in the Learning Community know, each year we have an extensive transition program for students coming up from primary schools. This starts with our Awareness Day program on Tuesday the 23<sup>rd</sup> March where we will welcome Morwell Park and Morwell Central Primary Schools into the Kurnai Learning Community. These students will take the first step into experiencing high school life.

Due to the increased number of students in the school at that time, other Year Levels are released from school that day, so this means that Year 7 and Year 8 students will not be required for the day.

### Year 7 Camp

Our Year 7 camp planning continues with permission forms being sent home last week and due back as soon as possible. From the Year 7/8 Team's point of view, we believe it is really important that we have all students participate in this camp. Camp Coolamatong works really well with us and we ask for you to please work with us to overcome any barriers to your child attending so that they can get the full benefit of the curriculum and opportunities that we offer to them in Year 7.

The students were certainly very excited about camp and the activities in store when I spoke with them all earlier in the week.

### Feeling Safe At School

We have been talking with the students about the right to feel safe at school and the need for everybody to respect the safety of others. This has been an area that we have been particularly impressed with this year. Like all schools, from time to time issues arise and we work actively with families and students to resolve them. If you ever feel like your child is experiencing issues at school, encourage them to communicate with us and follow up with us yourself to make sure they have.

### Year 7 and 8 Goals (Kurnai Positive Acknowledgments)

I would like to promote the continued fantastic start our students have made towards their learning. We understand that the importance of celebrating the positive success our students demonstrate every day. This can mean showing improvement in the learning or behaviour right the way through to our high-end academic achievers. As you can see below the numbers of our positives are extraordinary and I encourage you to continue the conversations you are having at home about the positive choices our learners are showing every day.

# Year 9 News

## Year 9 News

Learning continues and the Common Assessment Tasks (CATs) are well under way. I have been really pleased with the increased maturity shown by our students across Year 9. Focus in class has been improving and the timing is perfect for solid performances in CATs.

The next wave of Learning Behaviour Updates is being written by our teaching staff for each of the students. The regular cycle is two updates per term. The aim of this is to encourage reflection in students about their learning. A conversation with their teachers, parents and peers often results in new strategies to improve performance that leads to better learning in the classroom. Thank you to all parents that have been working with their children to improve their engagement at school.

We completed school photos this week and it was great to see smiling faces and a positive approach to the process to get these completed.

## Year 9 Camp

The Year 9 Camp for Morwell Campus has been scheduled in Week 6 of Term 3 this year. The purpose of the Melbourne camp is to give students a real experience of cultural, educational and leisure activities in the Melbourne CBD. It is an important part of developing a wider understanding of the world around us. We remain extremely keen to get as many students involved as possible. The camp will cost approximately \$400 per student and I encourage all families to begin planning and putting money aside to cover this cost. More information will be made available closer to the date.

## Year 10 News

Congratulations to all those students who have received great results on their first GPA reports for the year. Please continue the great work as the March round of GPA reports is due out on Friday 26<sup>th</sup> March. Parent--Teacher - Student conversations will take place following these reports. Please remind students to get all work tasks submitted to teachers A.S.A.P. We look forward to seeing parent and students at Parent-Teacher-Student conversations at the end of the term.

### Team Members

This year the Year 10 team members are: Sheryl Tangi (Team Leader Maths / Science), Froso Pizzi (Maths and Tr@k), Megan Schwarzenberg (Food Tech, Textiles and an Advocate), Angela Thomas (Art and Photography), Mark Johnston (Technology and an Advocate) and Sarah Lewis (English, Humanities and Media).

### Camp

This year we are working on a camp in Victoria as we are not allowed to travel inter-state due to Covid-19. Information should be out shortly.

### Attendance

This year we will be trying to increase student attendance rates especially at Year 10. We would really appreciate a phone call to the 24-Hour attendance line if your child is absent from school. This helps our attendance officer track students and improve our % attendance for each student.

### Work Experience

All Year 10 students will be attending two weeks of work experience Week 2 and Week 3 of Term 2, April 26<sup>th</sup> – May 7<sup>th</sup>. The students will be arranging a placement or two during their team-time classes this term. Please contact Sheryl Tangi if you have any issues. We will have limited spaces to place students due to Covid-19. Please also read the Careers information on Teams.

This year students will receive a KPA report for working well in class. This will automatically result in an SMS message being sent to a parent or guardian of the student stating which school pillar they were exhibiting in the classroom. Students are also receiving postcards for displaying consistent behaviours for the four school pillars of Excellence, Relationships, Work Ethic and Engagement. This year we will also be rewarding students with great attendance to school.

## Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amount this year is \$225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances **or you have enrolled a new student to the school.**

If you would like to apply for the first time, please contact the school office on 51 650600 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

Applications close 18/6/2021.

The annual 'Rockfest' Competition is on again!! If you're in a band or a solo artist, you're encourage to participate in this amazing event.
